STATE OF THE ART INDOOR TRAINING & SPORTS FACILITY

Work is to begin soon on building the new indoor training barn at Cefn Hengoed school & the refurbishing of the leisure centre. The indoor training barn is an indoor 3G pitch, 60 x 40 metres. The first in Swansea. It's an election promise from 2017 where we said we'd provide an outdoor 3G pitch at Cefn Hengoed school. This goes further than that in that it's indoors meaning the sports teams in the ward can train all year round whatever the weather. Currently they have to travel outside the ward & sometimes outside of Swansea to train.

IF YOU VALUE IT, VOTE FOR IT. CARU FE, CADWCH E.

Over the last 5 years Swansea has seen dramatic changes with new homes, new schools, new play areas and a new city centre all delivered by Swansea Labour.

Despite the challenges of the pandemic Swansea Labour has delivered everything we promised you in 2017, and much more. We are now once again a city and county that is confident and growing, after years of decay under the Lib Dems and Independents administration

We ask for your support to continue the improvements, continue the delivery, and continue the creation of a better, stronger, cleaner, greener Swansea. Please give Swansea Labour your support on May 5th.
