

A little bit about me...

Katie has lived in the area all of her life, attending Casllwchwr Primary School and Penyrheol Comprehensive School. Married to Ricky, with four young children, Katie enjoys walking in the wonderful environs of the local area, regularly taking her children to use the new play facilities at Parc Melin Mynach.

Katie has a proven track record of supporting her community and was instrumental in setting up the Food Hub and Prescription Delivery initiative during lockdown. Her role as joint coordinator led to the success of this initiative and allowed the team to distribute food and prescriptions to the most vulnerable in our community.

Katie is keen to help people in her community and will continue to have an active role. She has committed to working with local representatives to improve our local area, addressing ASB, improving youth facilities, and supporting the organisation of local events, such as the Christmas Lantern Parade and the return of the Gorseinon 10k Brisco fun run.
