TIR JOHN TO CLOSE

Great news for residents of St Thomas and Port Tennant...your Labour team is pleased to confirm that following many years of campaigning the Tir John landfill will be closing for good. This is the result of extensive lobbying and discussions by your current local Labour councillors. The recycling centre will however remain open which should also come as good news for residents. The site is being considered as a location for a new solar farm which will generate clean energy for Swansea.

IF YOU VALUE IT, VOTE FOR IT. CARU FE, CADWCH E.

Over the last 5 years Swansea has seen dramatic changes with new homes, new schools, new play areas and a new city centre all delivered by Swansea Labour.

Despite the challenges of the pandemic Swansea Labour has delivered everything we promised you in 2017, and much more. We are now once again a city and county that is confident and growing, after years of decay by the ruinous Lib Dems and Independents administration.

We ask for your support to continue the improvements, continue the delivery, and continue the creation of a better, stronger, cleaner, greener Swansea. Please give Swansea Labour your support on May 5th.
